Guidelines for Assistance from A.C.T.S. Pantry: To qualify for food pantry assistance, the client family must meet Federal Poverty Guidelines as published annually. The guidelines can be found by searching the Internet (CMCS/CAHPG/DEEO). ACTS Pantry uses 200% of poverty as a qualifier. Eligibility is based on the financial situation of ALL members in a household. Everyone who lives together and purchases and prepares food together is considered a member of the same household. Verification of income and information regarding housing arrangements and bridge card status is also considered. Those that qualify can receive food at no charge from ACTS Food Pantry, to the extent that we have adequate supply available.

Acme Christian Thrift Store & Food Pantry, also known as "ACTS Food Pantry," and "ACTS Thrift Store," was incorporated as a Michigan non-profit corporation on May 7, 2002 to fill a critical need among the working poor, single parents, transient and other disadvantaged people who live in Antrim, Grand Traverse, and Kalkaska counties by providing thrift store donated merchandise at reasonable prices and by operating a food pantry. ACTS has been staffed by mostly volunteers, including about 110 to 120 volunteers. Assistance to the poor, hungry, and homeless is given as it is possible.

ACTS is a Multi-Denomination, Multi-Agency, Christian Nonprofit Organization, which operates from a store front in the Acme-Williamsburg, Michigan area. The store front opened in June, 2003 at 5700 U.S. 31 N, Acme, MI. As of July 1, 2004, store operations were moved to 5782 U.S. 31 N, Acme, MI. As of October 1, 2012 the store moved to 8925 M-72 E, Williamsburg, MI 49690. Business operations (accounting, tax, & legal) are handled at 996 Garfield Woods Dr Ste A, Traverse City, MI 49686.

In-kind food pantry expense has been estimated at a market value of \$35 per grocery bag, estimated to be about 20 pounds. The average family has from three to five individuals in the family, and about 50 percent are single parent families. Each family receives about 100 pounds of food, which is an estimated 5 to 7 day supply. Recently reevaluated to update the actual amounts given to an average family of 3-5 individuals.
